

Horizon Academy, Anuradhapura City Opened on September 01, 2017

Horizon Lanka Foundation started its third branch, this time in Anuradhapura City on September 01, 2017. At Horizon Academy we teach English, ICT and Robotics as our main subjects. In addition to these subjects, we also teach Fine Arts and Sports to break the monotony of the students. Those who wish to join please call Ms. Ramanee Wanninayaka (English teacher) on 077-2393895 or 071-4456879 or Mr. Udaya Marasinghe (Manager) on 077-0423518 or 071-1462342. The Address is Horizon Academy, No. 23, Ambasewana Waththa Saliya Mawatha Anuradhapura, Sri Lanka.

We charge only 500 LKR (3.26 USD) per month for all these subjects. We have both local and foreign teachers to teach these subjects at the Academy. Students will be rewarded with stationary, school supplies, computer related equipment, etc. after evaluating their performances.

The parents of the students will be given free English and ICT training on Sundays from 8.00 am to 12.00 noon.

We have the basic infrastructure at the beginning and will add more with the progress of the institute.

Help us send more children to universities in 2017!

Only with your help can we continue bringing quality education to the children of rural Sri Lanka, and offer them the chance of choosing their own future.
